17TH YEAR - NO. 20

WILMINGTON, MASS., THURSDAY, MAY 25, 1972

FIFTEEN CENTS

Oh! Those Calories!

Girl Scout Leaders, of the Baldwin Neighborhood (Wilmington, Tewksbury and Billerica) had their final leadership meeting of the year, in the Methodist Church, last week. It was a smorgasbord dinner, and some of the ladies paused, before they chose their desserts.

New High School

Alternatives to be Offered

The Wilmington School Committee has told the Selectmen that they have recently voted to place two alternatives on the Warrant for a Special Town Meeting.

Alternative One would be to build a new High School, with acquisition of land for that school, architect's fees, etc.

Alternative Two would be an addition to the High School, which would also mean acquisition of land for the High School, architect's fees, etc.

the fees, plus an addition to the Wildwood School and acquisition of land for a new Elementary School.

It is important, the Selectmen were told, to emphasize that Alternative Two is not a complete program, but just a beginning.

The School Committee intends to recommend and support one of the two alternatives, and is in the process of assembling data to assist in making the best possible decision.

CHARLES RIVER HAS JOINED MUSEUM OF SCIENCE

The Museum of Science, in Boston has announced that the Charles River Breeding Laboratories of Wilmington has joined the Museum as a business member.

CRLB is now among the 300 firms in Massachusetts which participate in the Museum's activities, by means of annual dues in order to be involved in community affairs. Business and industrial firms also forward the Museum's programs by sponsoring exhibits, acting as consultants for displays and week-end courses, and utilizing the Museum for science oriented meetings and announcements.

CHAMBER OF COMMERCE WARNS OF TELEPHONE CALLS

The Wilmington Chamber of Commerce, this week, issued a warning about solicitation of sales and advertising, over the telephone.

Wilmington subscribers, for the past few days, have been getting telephone calls from an office which purports to be the state office of a well known organization. The calls are coming from another office.

Anyone desiring information may call the Chamber between 10 am and noon, on business days, at 657-7211.

Higgy has Marched for forty Years

When Mrs. Madeline Higginbotham of Adams Street steps off for the Memorial Day Parade at 9:30 am on Monday, she will be starting in her 40th Memorial Day Parade, in Wilmington. Mrs. Higginbotham has been in many parades in Wilmington, but she has never seen a Memorial Day Parade - always having been other than a spectator.

Mrs. Higginbotham who is 78, will be joined by another old timer - Past Commander Angus MacFeeley of the Wilmington Post, American Legion.

Mr. MacFeeley tips the age scale at 75.

A third person to participate will be William Colter, who can be called "Mr. DAV of Wilmington". Mr. Colter has participated in the Wilmington Memorial Day Parades for 52 years. He is now 88, and will be riding in a cruiser, this year.

Two Intermediate Bands, of the Wilmington Public Schools, will be providing the music - both snappy bands of youngsters. The High School band, it is understood will not march.

Monday's parade forms at the Wilmington Plaza, at 9:15 am and starts at 9:30 am. The elementary band, Bluebirds, Cub Scouts, and Briwnies will form at Ricky's Dog House, and join the parade as it marches by.

The Veteran's organizations are to attend Memorial Services in St. Thomas Church at 9 am on

Sunday. Sunday afternoon Decoration Exercises start at the Memorial Shrine at 2 pm.

Two new features seem to be in order, for the Memorial Day parade this year. At 10:30 am the Parade will honor the Revolutionary War soldiers, in exercises conducted by the Wilmington Company of Minute Men. The other feature is only in the rumor state, as of this writing, but that rumor says that a comely young lady will be participating in a surprise feature.

Marathon & softball Exhibition

Wilmington's Third Annual Memorial Day Marathon will be held this Sunday afternoon at the Town Park.

This annual event, co-sponsored by the Recreation Department and the Jaycees will start behind the left field fence at the Town Park Softball Field at 1 on Sunday afternoon.

All ages are urged to participate in the race. There will be five age division with those under 11 and those under 15 competing separately in a 1 1/2 mile race, while those who are 15 to 19, 20 to 29 and those who are 30 and over will compete in their respective divisions.

Trophies will be awarded to the winners of the 1 1/2 races and to the winners of the 5 mile races. Ribbons will be awarded to those who finish 2nd and 3rd in each division.

Spectators are urged to be at the Town Park for this event and to witness an All-Star Softball Game between representatives of the Industrial League and those from the Town League.

This game will start at 1:30 with another game between Jay-Dee and Silver Lake to begin at 3:30.

Marathon runners, remember!! Report by 12:45 behind the left field fence.

LIONS WERE NUMBER ONE: The Wilmington Lions Club came up in top place, among clubs of under forty members, during the State Convention held in Hyannis, last weekend. This is the second year in succession in which the Wilmington club was so honored. Admiring the trophy is Past President Carl Noelske. Standing are Secretary Dave Bliman, President Elect Rocco DePasquale, and Past President and Club Drive Chairman Anthony DeLuca.

Jimmy McLaughlin again the Democratic Chairman

James L. McLaughlin of 31 Hopkins Street was elected chairman of the Town Democratic Committee at an organizational meeting held on May 18th.

Others elected include: Vice Chairman, Simon Cutter, 43 Church Street, Treasurer Florence Borofsky, 20 Oakridge

Circle and Secretary, Anastasia MacInnis, 34 Cottage Street.

Elizabeth Kelley of Shawheen Avenue was named Honorary Chairman.

Elected to serve as Delegates to the State Convention, to be held on June 10th at Boston College were: James McLaughlin, Fred Cain and Mary Cunningham.

Chamber of Commerce Luncheon June 12

The Wilmington Chamber of Commerce will have a General Membership Luncheon, at Rocco's Restaurant, at 12 Noon, June 12th. President Bernard Brady has announced.

The luncheon is to be for members of the Chamber and their guests. The cost will be \$3.95.

There will be a Policy Statement of the Chamber, to be discussed, as part of the program.

The TM wants a Pedway

Town Manager Sterling Morris has proposed that the town construct a pedway across the old Winn's Cranberry Bog, which is on both sides of Lubbers Brook, near the Glen Road School.

His proposals have received various reactions. The Cranberry Bog is in charge of the Conservation Commission, having been purchased as the result of Town Meeting action this spring. Morris wants to construct a pedway from the vicinity of Wicks Circle, which is on the west side of the old cranberry bog, to the grounds of the school.

There are about 100 children in that area, who walk daily to the Glen Road School, according to what Morris told the Selectmen, Monday night. They walk up Miller Road, of Faulkner Ave., to Glen Road, and via that road to the school. It would save those children a considerable distance, and afford their parents a better feeling of safety, he told the Selectmen.

There were also objections that it would become a motorcycle and (motor) minibike trail, possible endangering the children who would use it. One of the members, Bob Leahy, was almost certain that the Conservation Commission would object to a pedway across the cranberry bog. (Mrs. Leahy is a member of the Conservation Commission).

being one of those towns. They, today, under the new organization, and only they, can have companies of Minutemen.

But there were companies of Militia, in all the towns of the Colony, and replicas of those Militia companies are being formed, and take part in the parades. York, Maine, for instance (it was York, Massachusetts Bay Colony on Lexington Day) has a company of Militia, which marched last Sunday.

There were two units representing the Colonial Navy, as well. One was from Newburyport, in authentic costumes of the Marines of that other period. The other, a group of men from Lexington, were in costumes that were supposed to represent the Colonial seamen - red and white striped shirts, short white pants - etc.

But they wore shoes. The old time sailing ship sailors always went barefoot - to keep their feet in good condition. A sailor with

shoes - unheard of!! Those Lexington Sailors are just so many land lubbers.

Gary Atamian was the Star

Last Thursday evening the annual Spring Concert of the Music Department of the Wilmington Schools was held in the Herbert C. Barrows Auditorium. There was a vigor and snap to the performance, better even, than in previous years. There was little delay, the audience enjoyed themselves, and all were out of the building by 10:30 pm.

The star of the show, and he wasn't so billed, was Gary Atamian of Hathaway Road. Gary is just another trumpet player, in the Elementary Band. The band is a big one - with no over 12 years old. It took ten minutes to get everyone squeezed onto the stage.

Dom DiGrazia, Director, likes to pick on a youngster and have him play solo for a while - or so it looks from the audience. Gary was so picked, to play Swing Low, Sweet Chariot.

Almost at the end Gary faltered - he goofed. With a bright smile, he went back a few bars and started again - very seriously. This time he completed his solo - and

the audience loved it. He brought down the house.

The Elementary Chorus under the direction of Lorraine Kalil were even better than they have been for the past several years. Miss Kalil has a group of boys, who surpass the few of previous years and they are good. She also has Martha Rounds, soprano. Words cannot do justice to Martha's voice. She can and does render a beautiful solo and Lorraine Kalil did right, in featuring Martha Rounds in a spiritual.

PATRICIA GRIFFIN RECEIVES DEGREE

Patricia A. Griffin, daughter of Mr. and Mrs. Frank J. Griffin, Jr., of 6 Kirk Street was awarded an Associate in Arts degree in Physical Education at the 135th commencement exercises at Green Mountain College, Poultney, Vermont on May 14th.

Colonial Air Force?

COLONIAL AIR FORCE OFFICER: Capt. James Edgar, of the Lexington Minute Men, leads his troops onto the field at Rotary Park, Sunday, wearing his Wings, presumably from the Colonial Air Force.

AN INVITATION

An invitation to all townspeople, fraternal organizations and friends of the Rev. Robert Smith.

You are cordially invited to an Open House at the First Baptist Church on Sunday, June 4th from 2 to 5 pm.

Service at 2 pm and Reception at 3 pm.

By the Board of Trustees

LILLIAN ROBINSON RECEIVES MASTERS

Lillian Robinson, daughter of Mr. and Mrs. Ralph E. Halpin of 29 High Street received her Masters degree in Education from the University of Vermont at Burlington on Sunday May 21st.

RICHARD PUMFREY BECOMES A BOY SCOUT: At the Pack 56 Cub Scout meeting in the Woburn Street School, Monday evening, John Virtus, Scoutmaster of Troop 63, did the honors. Standing behind Richard are his parents, and other Pack 56 Cub Scouts who became Scouts are at right - James Ackerman and Steve McDermott.

THAT'S WHAT MUGS ARE FOR: Every member of the Wilmington Company of Minute Men carries with him a pewter mug, for the purpose, of course of drinking water, while on the march. It can be put to other purposes too, as was the mug of Capt. Arthur Sugrue, in the Congregational Church last Saturday, where he stood in line for some (non-alcoholic, of course) punch. Serving is David Fraser, an usher of the church.

Record breaking day for WHS

RICK KEANE: Crosses the finish line in last Monday's meet with Dracut, with a winning time of 4:51.4 to top the mile.

Track: The varsity concluded their dual meet schedule with two losses recently. 83-48 to Chelmsford on May 17th and 66-65 to Dracut on Monday, May 22nd.

In the Chelmsford meet, four high school records were set, namely, senior Rick Keane shattered the 2-mile record by 9 seconds. The previous mark was 10:29.9 set two years ago. Rick ran his first mile of the race in 5:07, six seconds better than any other first mile he has ever run.

Jack Barry broke the high hurdle record by 7 seconds. The previous record was 16.9 set by Ed Thomas a few years back. Too bad Jack could not have won the vent, his time was good only for a second.

Freshman Doug Spring broke the mile record in the mile. Doug's 4:58.6 time broke the old school record by 8 seconds. Doug had set the new mark only last week.

Larry Singlas broke the pole vault record as he cleared 9' 6" to snap the old mark of 9' 9" set by Steve Holloway in 1971. In the annual conference meet

DOUG SPRING: Outstanding Wildcat freshman runner, runs another fine lap while finishing second in the two-mile on Monday, May 22nd in the track meet with Dracut.

BILL BADIALI: In his record breaking low hurdles run in last Monday's encounter at Dracut, Bill broke the school record of 13.8 with his time of 13.6.

on Saturday the Wildcats came in seventh, despite another record breaking performance by Rick Keane in the two-mile.

Rick's time of 10:17.9 set another record, breaking his mark second time in three days.

The relay team of Rick McCully, Bill Badiali, Paul Fitch and Bruce Bishop picked up the lone Wildcat first in the meet in a winning time of 1:38.1.

Monday the varsity dominated the running events, 51-26, but succumbed to the Middies in the field events, 40-14 and suffered their fifth conference loss against

PAUL FITCH: Gives it every last push, finishing second in the 220 in last Monday's track meet with Dracut.

two wins.

Bill Badiali broke the school record for the 120 yard low hurdles in a time of 13.6. Previous mark of 13.8 was held by Rick Smallidge. Jack Barry snapped the school record for the 120 yard high hurdles with a time of 16.1. Jack held the old record of 16.2, which he set last week.

The boys will send Bruce McMil-

lan (220). Jack Barry (high hurdles), Bill Badiali (low hurdles), Rick McCully (low hurdles), Rick Keane (two-mile) and Doug Spring (two mile) in Saturday's state meet trials.

Baseball: The varsity won two of five recent outings and entered yesterday's clash at Dracut with a 6-6 conference mark with only tomorrow's home finale with Andover left.

Coach Gilligan's boys edged Billerica, 5-4 and Dracut, 6-5 on Wednesday and Thursday last week to improve their record to 6-3. However, they ran into all kinds of trouble on Friday when Burlington slammed the Wildcats 22-3.

Monday afternoon the varsity extended the league leading Methuen Rangers to eight innings before bowing, 2-1 with hard luck Tom McGinley taking his fifth seasonal loss against one win.

Tuesday the Wildcats jumped out to an early, 5-0 lead but could not make it stand up as Burlington came back to upend the varsity, 8-7 and practically eliminate the boys from any tourney chances.

The Javees snapped a five game losing streak on Monday with a 9-6 triumph over the Methuen junior varsity. Coach Gagnon's boys are now 4-7 on the season.

Meanwhile the freshmen won their initial contest of the season after five straight losses, edging Methuen, 7-6 behind the stout pitching of Scott McGillivray.

Softball: The girls lost both of their recent outings and are now 2-3 on the season. A week ago today Dracut defeated our girls, 12-8 and on Tuesday, Tewksbury belted the girls, 38-12.

Carlene Butler slammed her second homer of the season in the Tewksbury loss.

NEXT WILDCAT ENCOUNTERS

Today: Girl's softball at Burlington, (3:15).

Friday: Varsity & JV baseball vs. Andover (HS Field at 3:30); Freshmen baseball vs. Andover West Jr. High West Int. at 3:30; Track - 8th and 9th Grade meet at Andover (3:00).

Saturday: Track - Class D State Meet Trials at Boston (10:00) (running events).

Monday: Track - Class D State Meet Trials at Boston (10:00) (field events and relay).

Tuesday: Girl's softball vs. Methuen (HS Field at 3:15).

He Owns The Juggernaut

LOUIE HAILSON: Of the Silver Lake Pharmacy, doesn't dare to go watch the Silver Lake Pharmacy Baseball Team play. The Juggernauts, as he fondly calls them, lost only two games in the Town League last year - and Louie was at both games!

So far he has resisted the impulse, this year - and so far his Juggernauts have been doing very well - but they did lose a game on Monday.

Mike Esposito looks good in Spring Practice

During the BC spring scrimmage, football practice last week, Mike Esposito made the future at Chestnut Hill look most inviting.

Mike stated that it was like any other game, but that he was always nervous before a game.

Playing in a backfield with secondstring quarterback, Jerry Concanan, Mike carried the ball 20 times. He covered 234 yards with big runs of 61, 45, and 30. He scored one touchdown, set up another by covering 65 of the drive's 75 yards, set up a field goal with his 61 yard run.

In one half - three months before his first season begins, he did things some people don't do in a college career.

Northeast League Baseball

Tryouts for the Northeast League Baseball Team sponsored by the Recreation Department will take place this week. The team will include some 20 boys on the playing roster. To be eligible, a youngster must not have reached his 19th birthday prior to August 1st of this year.

The squad will play an eighteen game schedule beginning on Monday June 5th against Tewksbury at the Glen Road School Field. Ed Harrison will handle the coaching chores.

Other teams in the Northern Division of the Northeast League include, Burlington, Bedford, Chelmsford, Lowell, Tewksbury and Woburn.

Any boy who played last season and has not turned in his uniform is asked to do so immediately to the Recreation Department.

NORTHEAST BASEBALL LEAGUE PRACTICE

Saturday: 9 am to noon.
Monday: 5:30 to 9 pm.
Tuesday, Wednesday, Thursday and Saturday: 9 am to noon.

All practice sessions listed will take place at the Shawneet School Field.

Pony League Saturday

The Mavericks coached by Larry Foster and the Wildcats led by Warren Everett will open their sixteen game season this weekend as action in the Suburban Pony League is set to roll.

Saturday morning the Wildcats will host the Reading Astros at the high school field, while in the afternoon the Mavericks travel to Reading to battle the Y's Men.

Monday both clubs will be in action, the Mavericks against the No. Reading Red Sox and the Wildcats travel across town to North Reading to tangle with the Braves.

Eddie Langone caught a Whopper

Eddie Langone of Dunton Road, Wilmington caught the second largest Rainbow Trout, in New England, during the month of April, according to records kept by the Genesee Brewing Company of Rochester, N.H.

Eddie's Rainbow weighed in at 2 pounds seven ounces, and was caught on April 15th, in Stiles Pond, in Buxford.

The largest Rainbow caught in April was by George Booth of Marblehead, caught on the same day in Lynn. It weighed in at 5 pounds 15 ounces.

Ever try to paint a wall and end up smearing woodwork and baseboards? Here is a way to keep that from happening use tin foil.

Just slide it along underneath your paint brush or between your brush and what you wish to protect.

The shield will keep the paint from spotting. When it gets smeared, you can throw it away and get a new piece.

The easiest way to find all your lumber and other supplies is to shop at Sweet's Home Courtesy Center, 615 Main St. 658-2051. Lumber includes hardwoods - walnut, cherry, ash, oak and birch. Ceramic Tile includes extra thin Cristal tiles - easier to install for the do-it-yourselfer and Hand Crafted wall facings include Ly-Ka-Bric and Ly-Ka-Stone. Hours: Daily from 8 am to 5 pm and Fridays from 8 am to 9 pm.

Charge with Bank Americard or Master Charge.

Helpful Hint: To hold a chair off the floor while painting the legs, first turn it upside down and then drive a long nail into the bottom of each leg. Then turn chair right up side again.

Yes, Pick the Dandelions

Spring, this year, is about ten days late. The rains of April were extended into May, and it is only since Sunday that Wilmington has been able to enjoy the sun.

The dandelions are blooming, at last. Go out into the fields. Enjoy yourself - pick all you want!

In a few days the lilacs will be out. They are fine harbingers of spring. Enjoy them too, and let them be. Go up to Federal

Hill, and see them, or go to the Arnold Arboretum, where, it is said, there are over 500 species of lilacs.

In a few days, too, the lady slippers will be shyly blooming, in their wooded nooks.

Leave them alone. Too many have disappeared, in housing developments, in commercial developments, and in just plain careless actions, during the past few years. Soon the Lady Slippers will be a thing of the past, in this part of Middlesex County.

Sergeant Alan Green

Death, a tragedy, is also commonplace, an everyday occurrence. Sometimes this turns out to be an event of community importance.

Such was the recent death of Sgt. Alan Green of Woburn Street. It might possibly be out of place, but a few items, a few events are worth recording.

The number of cars, for instance, in the funeral cortege. Sometimes this is a mark of ostentation. In the case of Alan Green, it was a mark of respect for a young man of character. Over 30 cars accompanied the body, to its last resting place in New Hampshire.

The military services of the United States often details a friend of the deceased to accompany the body to its last resting

place. The friend of Alan Green, a Sergeant in the Air Force, name unknown to the writer, had been allowing his hair to grow, because his bride-to-be wanted him to have long hair at their wedding this summer. He was told by his Commanding Officer that he did not have to cut his hair, but neither did he have to accompany the body back to Wilmington.

He had his hair cut, and was one of the mourners, in Wilmington. In its own way this was a mark of respect, of friendship.

There have been several instances of community impact. One of these may be judged by the readers, in the number of donations given to the Wilmington Hospital Building Fund, in his name.

Such is the respect that is paid to a young man of character.

Blue Lights

not one, but two blue lights - enough to fill up any rear view mirror.

Now the new 1972 Police Cruisers are arriving. This year they will be Pontiacs.

And - on the roof - are not two but four blue lights. The optimum has arrived - police cruisers with four blue lights.

Perhaps the day has arrived when the people of Wilmington should equip their cars with bigger rear view mirrors - the better to see that flashing blue.

"Unselfish Devotion"

Leo D. Gittus of Glen Road has received the Joel D. Miller award, the highest honor of the Fitchburg State College Alumni Association.

The award is based upon the will of the late Florence Miller which states "given to some person actively engaged in some sort of teaching who has given to the work of teaching an unselfish devotion similar to that which my father, the late Joel D. Miller, gave to his work as a teacher, exerted a similar influence for good among his pupils and the highest ideals of what a teacher should be. The selection be made without regard to race or creed, high or low position occupied by the recipient."

Mr. Gittus received his B.S. degree from Fitchburg College in 1940 and began his teaching in Provincetown. He has taught at the Perkins School for the Blind.

Watertown, Mass., Montclair, N.J. and in the Lexington Schools, where he is presently Industrial Arts Department head. He was the first to be awarded by the American Industrial Arts Association, the award "Teacher of the Year From Massachusetts" in 1943. He is a member and has served as an officer in several professional teaching organizations on the local, state, New England and national level. His graduate studies have been at Boston University, Montclair State College, Oswego State College, Harvard and Fitchburg State College, with his M.A. from BU.

As a member of the Wilmington Congregational Church he has served as a Deacon and in other activities. As a Kiwanis member he has been chairman of the Boys and Girls Work.

Statement from Senator MacKenzie

On April 28th, Governor Sargent decided against a "Special Election" to fill the Fifth Congressional District Seat vacated by F. Bradford Morse, despite the Massachusetts Supreme Court opinion that the district was entitled to representation. Anticipating the Court decision, I announced my candidacy for Congress on April 18th.

There is no doubt in my mind that the Governor faced hours of deliberation and conscience-searching as well as a variety of pressures before reaching that decision - a decision that was his alone to make. What I believe he did not face seriously enough was the plight of the Fifth Congressional District's citizens who will have no representation until January of 1973 when the winner in the November election will take office.

It is tragically ironic that some newspaper editorials in the district are already pleading for help from our two United States Senators, as possible and imminent loss of Federal funds occur. The citizen really understands this "no representation" as the roll calls are printed: no answers from the Fifth, nor will there be until January of next year - voiding some 250 votes on issues of importance to our district.

Eight months without a Congressman is not only destructive to the real needs in the district, but also lends credence to the growing concept that Government is too remote from the people.

Since assuming office, my total commitment has been to represent more than one-half the people in this district. As a resident and homeowner, I am dismayed that a district suffering from substantial unemployment and other basic problems requiring continuing Federal attention and assistance, has no voice or vote

in the legislative body where Federal decisions are being made. When unemployment rages throughout our immediate neighborhood, can we afford to have Federal funds diverted away from Lowell, Lawrence, and the hard hit 128 Industrial Belt? Can we afford to have passed up an opportunity to be represented by a man with the advantage of seniority in Congress? Can we, at a time when military actions directly affect our day-to-day and future lives afford to be silenced for months? I think not. We are paying too high a price already in order to save the relatively low cost of a limited short-term election.

That was, however, the decision of the Governor. Now I must make a decision of my own. The Governor's refusal to hold the Special Election implied in the Supreme Court decision plus the blatantly partisan redistricting of

the Fifth District, removing Burlington, leave me but one common-sense decision.

As I have said before, my commitment has been, and is, to the people of Bedford, Burlington, Carlisle, Chelmsford, Lexington, Wilmington and Woburn. I will continue to fulfill that commitment where I can serve most effectively at this time as a State Senator. I will not run for Congress nor will I be "drafter" to make any such move despite heartening requests and promises of financial and moral support.

I will continue to stand with the people of the Seventh Middlesex District who have stood with me solidly in the past. Together we can work for solutions to our problems. There is much to be done.

Liberal Arts Day for No. Intermediate

Liberal Arts Day at the North Intermediate School will be held on Wednesday May 31st from 12:30 to 2 and from 7 to 9 pm. Friends and family are most cordially invited to attend.

This year there is a change in the Schools Annual Arts and Science Day. In the past, only projects in science, home economics, industrial arts and art were on exhibit. The students will, this year, present projects in subjects other than those.

This change takes place in recognition of the fact that the pupil's interests lie in all of the academic areas. English, history, geography and math exhibits will be on display in addition

to the regular exhibits of years past.

A brief preview of some of the projects follows:

Science: John Campbell "DNA Eumi Pyan "Bacteria", Cathy Leady and Lisa Hancox "Pros & Cons of Pesticides", Stephen Enos "The Carbon Cycle".

History: Susan Domigan, "Figures of the Revolution" John Imbimbo "Reconstruction of Old North Bridge", Frank Downs, "Wilmington in the Revolutionary War".

Geography: Marsha Jackson and Mary Flaherty, "Welcome to the Aloha State", Valerie Doucette, "Washington".

English: Original stories by Barbara Coulton, Cynthia Marden, John McNaughton and Terri Strouse.

Mathematics: Becky Wiber, "Slide Rule", Tony Miller, "Ancient Numerals", Michael Mazzola "Sundials".

Home Economics, Industrial Arts and Art work done both throughout the year and for Liberal Arts Day will be exhibited.

In addition, a special photography exhibit will be on display. The processes of developing the film and making a picture will be demonstrated by Laura Bruce, Martha Stone, Keith Rouché, Tom Bangs, Ronald Deveau, James Fratus and Debbie Milano.

CARD OF THANKS
To the Wilmington Fire Department: I wish to thank all of the firemen involved during the fire in our home on April 12th and commend them on their efficiency in bringing the fire under control. Our deepest gratitude.

**Turnpike Shell**

"Service Is Our Business"

Joseph J. Pimentel - Owner & Operator

If you are particular about your car, then you should be particularly about your car's servicing. People throughout this area go out of their way to stop in at Turnpike Shell, because they know that these friendly attendants are completely familiar with all models and makes of automobiles and can handle anything from a tune-up to expert major and minor repairs.

They also feature SHELL tires and batteries.

So the next time you're in the area, stop in at Turnpike Shell, the service station that "Cares" for you and your car.

They are located at 61 Middlesex Turnpike (near Route 128), in Burlington, phone 272-2397 for fast, friendly emergency road service.

We, the editors of this 1972 Town and Country Review, would like to call the attention of the driving public to this fine service center. And we suggest you stop in soon at Turnpike Shell for a taste of the best in automotive service. They are a Massachusetts State Approved Inspection Station.

Don't wait before you have that septic tank or cesspool cleaned or repaired. Give them a call and have this reliable firm do it for you now. They can be depended upon to satisfy you and they fully guarantee their work.

Let them clean your clogged sewers, sinks, toilets, showers, laundry facilities, pipes and drains in all commercial, residential and industrial buildings.

In this 1972 Town and Country Review we, the authors, recommend the Suburbanite Cesspool Service, Inc. to all our readers and suggest that you call them for all your septic tank or cesspool work.

Thanks to Jeanne Everett

The performance for the Hospital Building Fund of the Jeanne Everett School of Dancing Recital was a huge success.

The Building Fund Committee and the people of Wilmington extend their thanks to Jeanne for her sizable check and her untiring effort and inspiration.

And special forms of many descriptions. They also feature coldtype and photo composition as well as being a commercial and technical art studio.

Did you know how important posture is to the correct functioning of the inner organs?

The liver, for example, which is usually held in place by a suspensory ligament, may be pressed downward and forward by poor posture which will create a congestion in both liver and gall bladder.

Poor posture may also effect the functions of the pancreas and the stomach as well as the intestines and kidneys.

These are just a few of the reasons why good posture means good health.

Good health means shopping at Silver Lake Pharmacy, 32 Main St., Wilmington, one of the most complete pharmaceutical stocks in the area. Cosmetics by the leading makers. Men's toiletries. Clairol products. Phone 658-4617.

Helpful Hint: To get more juice out of lemons put them in hot water for five minutes before you squeeze them.

LIBERTY POLE PARADE PICTURES

THE FOURTEENTH CONTINENTAL ARMY From Fort Devens, had 31 men in the parade, commanded by Col. Gary Fortunato. All regular army, they are a drill team in Colonial costume. Gary is Staff Sergeant Fortunato, US Army, and comes from New Jersey.

LIKE A PUFFIN: Private Leo Stygles of the Woburn Company sticks out his chest, for the camera, while Private Ed Wells, of West Street Wilmington watches. Leo, as a youngster, had polio and he limps as a result, but he marched the whole distance.

BEMEDALLED MINUTEMEN: Veterans of many a parade, display their medals. Private Ken Robbins, at left, and Sgt. Adjutant David Hill have medals for participating in events at Tiverton, Rhode Island, and something called Thunder Bay.

ANOTHER BATTLE STREAMER FOR CHARLESTOWN: Each parade of Minutemen, conducted under the auspices of the organization, entitles the participating companies to have another battle streamer on its banner. Dr. John McCauley of Woburn, who is the very dignified Colonel who commands the Council of Minutemen, is shown here pinning a battle streamer to the flag of the Charlestown Minutemen, while Capt. Arthur Sugrue of the Wilmington Minutemen watches.

THEY MARCHED THE WHOLE DISTANCE: Three youngsters who marched with the Carlisle Minutemen, arrive at Rotary Park Field.

ST. DOROTHY'S SODALITY CLOSES SEASON

The 1971-72 season of St. Dorothy's Women's Sodality was closed recently with Mass celebrated by Father Leahy, the crowning of the Blessed Virgin and a candlelight procession of newly professed members who were installed by Father Leahy and Prefect Rosella Dean.

The list of new members includes: Mrs. Anne Callahan, Mrs. Eileen Laffey, Mrs. Theresa Foss, Mrs. Rose McSheffrey, Mrs. Mary Wilson and Mrs. Patricia Kelly.

Following the installation, a welcome party was held in the church hall where refreshments were served.

A banquet, for which tickets are still available will be held for the closing of the Sodality season at the K of C Hall in Tewksbury on May 28th at 6 pm where a family style roast beef dinner will be enjoyed and dancing will follow.

At General Electric, Wilmington

THE WHITE ROOM IS REALLY WHITE

INSIDE THE "WHITE ROOM": Hundreds of instruments, used for making instruments used in airplanes. On the table in the foreground is a dual microscope, one with two sets of eyepieces. It is used as a training device, to teach new employees how to work on very small items.

GOING THROUGH THE AIR LOCK: Into the White Room. One of the GE Employees kindly posed for this picture, in his nearly surgical costume.

Leo Barbo, one of the developers of the development around Fordham Road, told the Board of Selectmen a few years ago that General Electric was going to build a facility in Wilmington, and, included in that facility was to be a White Room.

A White Room, he explained, is one that is kept dust free, so that manufacturing processes will be performed better. This particular facility, Barbo said, was going to manufacture instruments used in aircraft.

Last week there was finally an opportunity to inspect that White

Room, and this is to tell the reading public that the White Room is really White. General Electric had an Open House for its employees and their families, and a few invited guests.

The room is a large one, perhaps nearly 10,000 square feet. It is under constant air pressure, so that air is flowing out, not in. To enter the room one has to gown as one would to enter a surgery—white coat, white hat, etc. Also, it is necessary to go through an air lock, to get into the area where the air is at a slightly higher pressure.

LARRY SCOTT AND BOSSES: Larry lives on Fay Street, and he tests and trouble shoots Aircraft Instruments. Next to Larry is the General Manager, Ralph Ketchum of Lynnfield. Nearest the camera is Jim O'Connor of Peabody.

SHIRLEY LIVES IN TEWKSBURY: Shirley McNamara, of Michigan Road, Tewksbury, is an assembler at GE. The foreman is Bob Vergreux of Lynn.

Young-Norton Nuptials

On Saturday afternoon, May 13th Rev. Robert Smith united in marriage, Edith Christine Young, daughter of Mr. and Mrs. Donald Young of 8 State Street and Norman James Norton, son of Mrs. Elizabeth Norton of 383 Middlesex Avenue at the First Baptist Church. The ceremony was enhanced by Miss Joan Union of Woburn who rendered "God Given Love" and "The Lord's Prayer".

Given in marriage by her father, the bride was radiant in a gown of white crepe with lace train and bodice. She wore a matching headpiece and carried a bouquet of white carnations.

Miss Janet Young served her sister as maid of honor while Misses Susan Howard and Charlotte Lathuras acted as bridesmaids.

George Norton, brother of the groom served as best man while ushering duties were performed by David Norton, also a brother of the groom and David Moore, a close friend of the couple.

The mother of the bride wore a pink chiffon dress with white ac-

cessories and a corsage of white orchids.

The groom's mother was attired in a blue ensemble with darker accessories and a corsage of white orchids.

Immediately following the ceremony, a reception was held in the Fellowship Hall of the First Baptist Church.

The new Mrs. Norton was educated at Lowell State College and is now employed as a substitute teacher in Wilmington.

Mr. Norton, a Vietnam Veteran and a graduate of Northeastern University is currently employed as a lab technician at L.A. Donovan's of Woburn.

Following a wedding trip to Vermont, the couple will reside on West Street, Wilmington.

Candidate

To The Citizens of Wilmington:
During the past few weeks I have been considering the idea of offering myself as a candidate for the office of State Senator (as a Democrat).

I have made inquiries and visits to each of the seven communities encompassed in the 7th Middlesex District, and have also contacted some of the active and successful civic and political leaders in each town to solicit their endorsement and support. As a result of the encouragement which I have received in several towns, and also from my friends and supporters in my home city of Woburn, I have decided to officially announce myself as a candidate for the office of State Senator in the fall elections.

My reasons for becoming a candidate are many, but primarily I am interested and deeply concerned with the local property tax crisis which presently exists in the several communities, and the ever increasing State taxes imposed upon the taxpayers. Time and again we have been promised that when certain new State taxes and laws were enacted, the taxpayers could expect financial relief with their local property taxes. First it was the 'Sales Tax' to give financial help to the communities; next it was the State take-over of

the entire Welfare program from each town, and this year it is the five percent (5%) additional income tax on the interest and dividends earned on bank savings accounts.

It is my strong conviction that our State Government must fulfill its promises and begin immediately to give some serious consideration to a 'Revised Policy in State Expenditures' wherein priority is given to financial aid for towns and cities. I feel that unless the endless promises of increased State Aid to towns and cities are actually carried out, many homeowners will soon be unable to pay their property taxes, and local officials will have to make drastic cut-backs in service to its citizens in order to operate within the reduced revenue of the town or city.

I served as Superintendent of the Woburn Public Schools for many years and resigned on August 30, 1970 in order to try my talents in another area of endeavor. I sincerely feel that my years of experience in management, in finance, and in working with large numbers of school personnel, plus my every day contacts and discussions with citizens as a member of the Woburn City Council, qualifies me for serious consideration to serve as State Senator.

My personal qualifications for the office which seek are as follows:

(a) Graduated with Honors from Holy Cross College with a Bachelor of Philosophy Degree (Ph.B.)

(b) Graduated from the University of Massachusetts at Amherst with a Master of Science Degree (M.S.)

(c) Graduated from Portia Law School - School of Education - with a Doctor Degree in Education (D.Ed.)

(d) Also took Graduate School Work at Harvard, Boston University, and at the University of Connecticut

(e) My work experience in education included the responsibility for directing and supervising 500 school employees and the maintenance of 30 million dollars of school property.

(f) My work experience included service as an Educational Consultant in the construction of Woburn's 18 new school buildings.

(g) Presently I am serving as a member of the Woburn City Council and the Committees on City Finances and Salaries.

(h) I have had experience in working with municipal projects and problems, and also in the preparation of annual budgets, project contracts and legal contracts.

(i) At Legislative Hearings held at the State House I have appeared

Little League Hi-Lites

Seniors: Some fine pitching by Bob Reid and Jim Peters led the Tigers to victories over the Indians, 14-9 and 11-6 and a 5-2 triumph over the Yankees. Richard Medeiros and Jim Peters squared off in a pitchline duel that ended in a 3-3 tie between the Tigers and Yankees.

In the other contest the Red Sox nipped the Orioles, 9-8.

Majors: The Angels came alive with three wins, including a 4-3 victory over the Twins pushing across two runs in the last inning. Other wins were 7-6 over the Yankees and 15-7 over the Tigers. Mike Carlin white washed the White Sox in a 3-0 Oriole triumph. Other shut outs were tossed by Dave Sousa for the Indians over the Red Sox, 2-0 and by Richie Fiorillo, a 2-hit 9-0 drubbing of the Orioles for the Red Sox.

In the other game the Tigers outscored the White Sox, 8-5.

Minors and Farms: In the only contest played in the farms last week the Eels slammed the Seals 10-6 while the Ravens topped the Crows, 7-2.

Spring Hockey

Pee Wee A's: Brian Tighe's three goal "hat-trick" paced the Wilmington Pee Wee A Hockey Team to a 6-1 victory over Winthrop last weekend at the arena.

Coach Don Rossi's pucksters finished the first half of the Spring League with an impressive 6-1 record and trail undefeated Peabody by only one game.

Squirt A's: Outstanding goal tending high-lighted by several saves in the third period by Rick Ballou earned a 6-6 tie for Wilmington in last weekend's clash with Medford.

The coaches were pleased by the all out effort of the boys as this game turned out to be one of the best games of the spring season.

Squirt B's: The Squirt B's lost a tough 7-1 decision to the Cowboys at Melrose last Saturday afternoon.

Rick Yettman was the lone bright spot offensively, scoring the only Wilmington goal.

PEE WEE B'S

Coach Warren Michle's Pee Wee B Hockey Team dropped a closely contested game to the Melrose Chiefs, 2-0 on Sunday, May 21st at Hockeystown in Melrose.

WILMINGTON CRUSADERS TO TAKE PART IN HEART FUND BENEFIT

The Wilmington Youth Crusaders will be participating in their first major drum and bugle corps competition of the season for the benefit of the Greater Boston Heart Fund on Saturday night, May 27th at Paul Revere Stadium in Revere.

All of the junior corps competing in the Heart Fund Invitational are Class A members.

In the event of rain the program will be presented on Sunday, May 28th at 1 pm at the Paul Revere Stadium.

AWARDED FOR THE FIRST TIME ANYWHERE: The above displayed trophy, awarded by the American Legion came back to Wilmington with members of Boy Scout Troop 136, from a recent Camporee held at Otis Airforce Base. Troop 136 displayed the best "All Around" Scouting abilities. The Camporee included troops from all over Massachusetts.

Receiving the trophy for the boys (who were away on a camping trip) last Saturday evening at the Legion Hall are: L to R: Commander of Post 136, Ralph Zwicker, Sr. Vice Commander John Winters, Everett Texarian of Somerville, Department Boy Scout Chairman (who made the presentation) and Angus MacFeeley, Institutional Representative for the Boy Scouts.
